lot _____

concession _____

township _____

county _____

Dimensions (in feet) of building to which quota is to be allotted. length _____

width _____

floors _____

In what quota period will production begin in the building to which the quota is relocated? quota period # A-

PART C : NOTICE

The board will consider final approval of the relocation only after you have delivered a copy of the deed showing that you own the premises to which the quota is to be relocated and the board is satisfied that there is a building suitable for chicken production on the premises. The building must have at least 0.65 of a square foot of floor area for each unit of quota to be allotted.

The board will not allot a quota to a building to which The Ontario Egg Producers' Marketing Board, The Ontario Turkey Producers' Marketing Board, or The Ontario Hatching Egg and Chick Commission has allotted quota.
